

Specifications

Zinc alloy connector

CE

MADE IN CHINA

19+1 pins, OD=7.3MM, 28AWG

(RoHS compliant) with Ethernet & ARC

24k gold plated copper contact to resist corrosion

Optimum connection and maximum signal transfer

128#ALMG, triple shield to completely reject EMI & RFI

RoHS soft PVC jacket for lifetime protection

Pure Oxygen-free copper for ultimate conductivity

Support 3D, 4K@50/60Hz, 18Gbps, 2160P and X.V.CC

3D over HDMI defines input & output protocols

CE

FC
