5 Tuya Smart App - product settings

The left screenshot shows the 'Varin Smart Plug' control interface. It features a large circular power button with '0' at the top and bottom, and 'Power On' text below it. At the bottom, there are four icons: Power, Timer, Electric, and setting. A green arrow points to the 'Timer' icon.

The right screenshot shows the 'Schedule' settings screen. It has a navigation bar with 'Countdown', 'Schedule', 'Circulate', 'Random', and 'Astronomical'. Below the navigation bar, there are two scheduled events:

- 20:00
Everyday
Switch 1: ON
- 23:59
Everyday
Switch 1: OFF

At the bottom, there is an 'Add Schedule' button. Green arrows point from the 'Timer' icon in the left screenshot to the 'Schedule' screen, and from the 'Schedule' screen back to the 'Timer' icon.

6 Tuya Smart App - metering usage

The left screenshot shows the 'Varin Smart Plug' control interface, identical to the one in section 5. A green arrow points to the 'Electric' icon at the bottom.

The right screenshot shows the 'Electric' metering screen. It features a large circular gauge displaying '0.02' with 'Today (KWh)' below it. Below the gauge, there are four data points:

- 41 Current(mA)
- 4.1 Power(W)
- 219.6 Voltage(V)
- 2.56 Total (KWh)

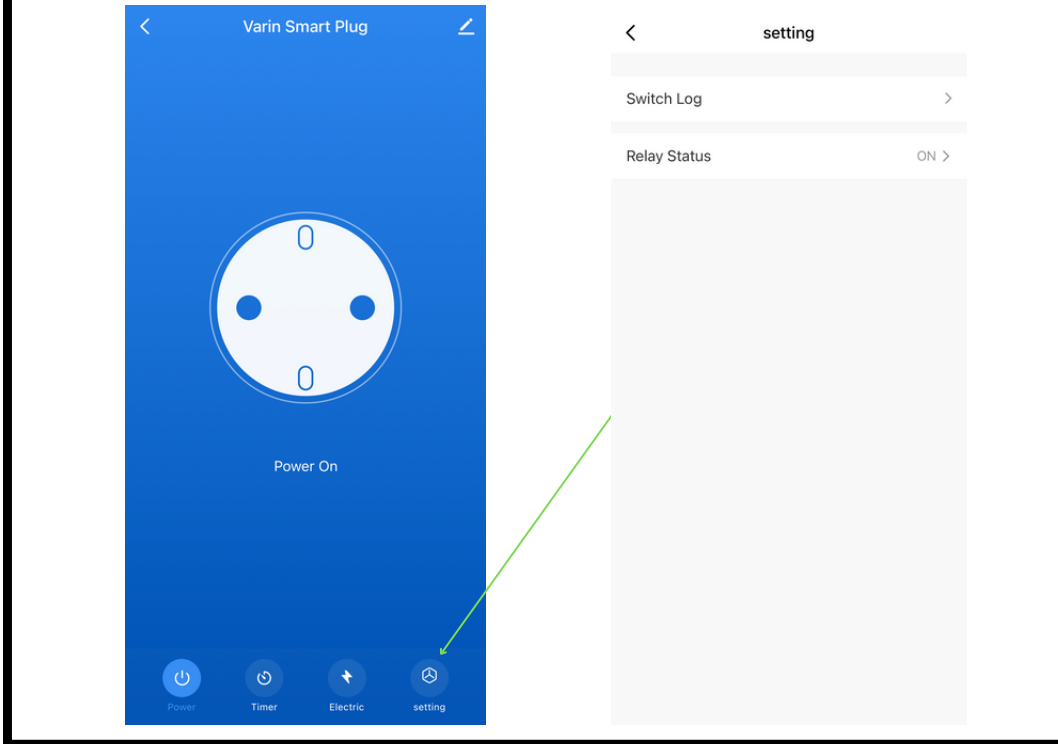

At the bottom, there is a table showing usage data for the year 2022:

| Year 2022 | Unit: k.W.h |
|-----------|-------------|
| November | 0.20 > |
| October | 1.11 > |
| September | 1.01 > |
| August | 0.24 > |

A green arrow points from the 'Electric' icon in the left screenshot to the 'Electric' metering screen.

EN-CAUTION!

This product is for indoor use only. Keep out of reach of children and animals.

Place the product away from flammable materials.

Before cleaning the product, ensure it is switched off.

Do not (dis)assemble the product with wet hands.

Do not repair the product by yourself, this should be done by manufacturer or electrical qualified person to avoid a hazard.

Do not use in bathroom or wet/moist places.

NL-LET OP!

Dit product is alleen voor gebruik binnenshuis. Buiten bereik van kinderen en dieren houden.

Plaats het product uit de buurt van brandbare materialen.

Zorg ervoor dat het is uitgeschakeld voordat u het product reinigt.

(De)monteer het product niet met natte handen.

Repareer het product niet zelf, dit moet worden gedaan door de fabrikant of een elektrisch gekwalificeerd persoon om gevaar te voorkomen.

Niet gebruiken in badkamer of natte/vochtige plaatsen.

FR-MISE EN GARDE!

Ce produit est destiné à une utilisation en intérieur uniquement. Tenir hors de portée des enfants et des animaux.

Placez le produit à l'écart des matériaux inflammables.

Avant de nettoyer le produit, assurez-vous qu'il est éteint.

Ne (dé)montez pas le produit avec les mains mouillées.

Ne réparez pas le produit par vous-même, cela doit être fait par le fabricant ou une personne qualifiée en électricité pour éviter tout danger.

Ne pas utiliser dans la salle de bain ou dans des endroits mouillés/humides.

DE-VORSICHT!

Dieses Produkt ist nur für den Innenbereich bestimmt. Außerhalb der Reichweite von Kindern und Tieren aufbewahren.

Stellen Sie das Produkt entfernt von brennbaren Materialien auf.

Stellen Sie vor der Reinigung des Produkts sicher, dass es ausgeschaltet ist.

(De-)Montieren Sie das Produkt nicht mit nassen Händen.

Reparieren Sie das Produkt nicht selbst. Dies sollte vom Hersteller oder einer Elektrofachkraft durchgeführt werden, um Gefahren zu vermeiden.

Nicht im Badezimmer oder an nassen/feuchten Orten verwenden.
