## POWER BULLET VIBE

This Power Bullet Vibe is a must have for your next intimate time together.

It's the perfect way to keep things interesting and exciting, especially when a woman is in the mood to put her in pure bliss. The Power Bullet Vibe is the "one market" multi-speed vibrator with just the ease of the dial!

Whether you're using it for play or sharing these sensations with your lover, let this bullet help speed you through to your next climactic experience! The Power Bullet is waterproof, so you can use them next time in your water play. Requires 2 AA Batteries, not included.

- Waterproof (bullet only)
- Multi-speed
- Incredibly powerful high tech motor
- This motor outperforms most others on the market!
