

4 COB LED Light Switch with On/Off Switch

The handy LED light switch with on/off switch from St Helens Home and Garden is perfect for illuminating those hard to reach areas such as wardrobes, under stairs cupboards, garden sheds and garages etc. It is also the ideal solution for illuminating vehicles including caravans and motor homes. The light is battery operated and wireless making it safe to be used in children's bedrooms as a night light. You no longer need to struggle in the dark during the night, use the LED

light to guide your way. The light can be positioned using either the mounting holes or the magnetic discs on the back, using the magnetic discs means the light can easily be moved from room to room as needed.
