

HDMI Bi-Direction Switch

Introduction

4K HDMI Bi-Direction Switch can switch two signal sources like Blu-ray player and computer to one display like HDTV or switch one signal source like DVD Player between two displays like TV or monitor so it can't be used as HDMI Splitter. It offers HD solutions for HDTV retail and show site, HDTV, STB, DVD and Projector factory, noise, space and security concerns, data center control, information distribution, conference room presentation, school and corporate training environments.
