

Non-woven wipes impregnated with 80% denatured alcohol solution to provide a cleaning wipe suitable for disinfection.

These wipes can be used on all hard surfaces (except clear plastic) where rapid sanitising is required.

The wipes contain an optimal amount of Alcohol for cleaning tasks. Pre-saturated wipes replace dispensing bottles and glass containers thereby minimising user exposure. They resist tears and hold their strength when wet, are non-abrasive and quick drying.

Conforms to BS EN 1500 & BS EN 1276
