INSPECTION CAMERA

DISCOVER THE UNSEEN WITH THE STREX WIFI ENDOSCOPE

Tackle hard-to-reach places with ease using the Strex WiFi Endoscope. Whether you're inspecting pipes, repairing a vehicle, or exploring hidden areas, this versatile inspection camera lets you view everything live on your smartphone. Thanks to its waterproof 1080P camera and flexible cable, even the most challenging spots become accessible.

CRYSTAL-CLEAR VISION IN ANY SITUATION

Equipped with a high-quality 8mm lens and adjustable LED lights, the Strex endoscope ensures sharp and clear visuals, even in the darkest or narrowest spaces. From tiny cracks to blocked pipes, no detail goes unnoticed – providing you with a reliable and precise inspection every time.

LIGHTWEIGHT AND FLEXIBLE FOR ON-THE-GO USE

The Strex inspection camera is compact and easy to carry, perfect for professionals and DIYers alike. The durable, bendable cable adapts effortlessly to every angle, while the included hook, magnet, and mirror attachments help you tackle a wide range of tasks with confidence.

SMART CONNECTIVITY AND EASY RECORDING

Stream live footage directly to your iOS or Android device via the free app and capture every inspection moment effortlessly. With just one tap, you can save photos or videos to your device, ensuring that every important discovery is securely documented.

BUILT TO WITHSTAND TOUGH CONDITIONS

With an IP67 water and dust resistance rating, the Strex endoscope is designed for damp or dusty environments. Its powerful 2,600 mAh battery offers up to 5 hours of continuous use. When it runs low, simply recharge with the included micro USB cable and you're ready for your next job.
