

ASSEMBLY INSTRUCTIONS AP8/AP9

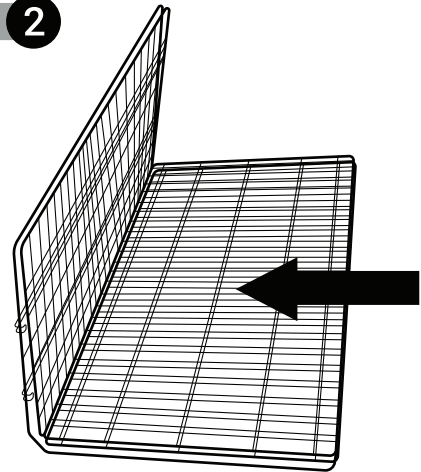

IF ANY PART IS MISSING, DISTORTED OR BROKEN PLEASE CONTACT INFO@AVALO.NL WITH YOUR ORDER NUMBER AND PART NUMBER, WE WILL SEND A REPLACEMENT PART TO YOU AS SOON AS POSSIBLE

STEP 1

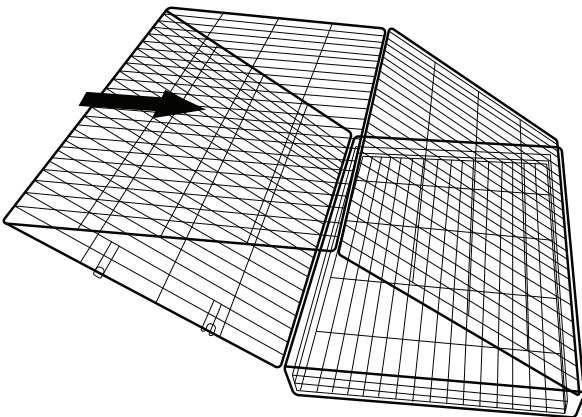

Release the retaining latches

STEP 2

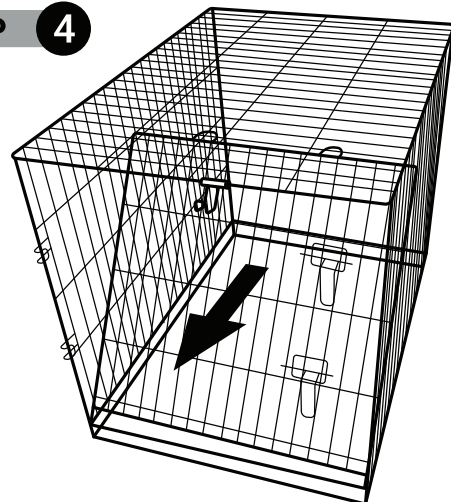

Lift the top panel to unfold the crate

STEP 3

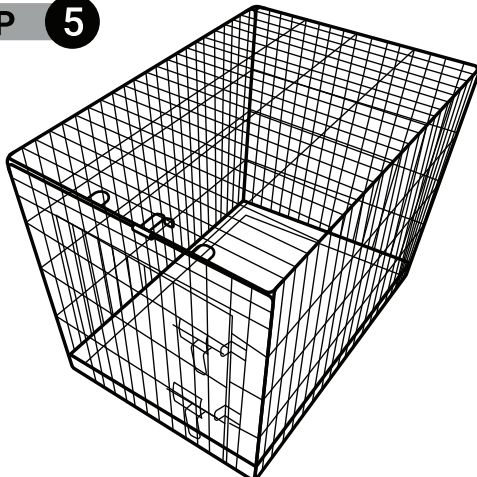

Raise the top frame until the sides drop into place and the crate is fully expanded

STEP 4

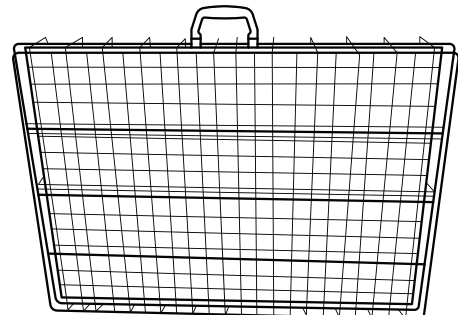

Swing the doors into position and secure the doors with the latches

STEP 5

Check that all corners are seated and all latches are locked. Assembly is complete

Note: Your crate includes a handle that snaps onto the top wire. Use this handle to carry the crate when it is assembled or collapsed.

WARNING: For your pet's safety, never move the crate with an animal inside. Only move the crate when it is empty.
