

Oxford Monster XL Chain & Padlock

More Information

Options & Sizing

Description:

The Monster XL chain lock features a powerful 14.5mm chain made from high quality Ni-Cro-Mo alloy steel. The chain has a protective cloth sleeve to help prevent damage and make it easier to handle.

The ultra strong padlock has boron steel armour casing and features a double locking mechanism and a massive 16mm shackle. The padlock comes with three keys for which there is a key replacement service. When you buy your Monster XL, simply note down the number which comes attached to the keys on a metal tag. Keep this in a safe place then, in the event that you are unfortunate enough to lose all your keys, it will be possible to get a new key made up for you.

This chain lock has undergone rigorously independent testing and has Sold Secure Motorcycle Gold and ART 4154 approval.
