

Whether you choose Ankaflex Radiator Heat Reflective Foil to keep your home warm in the winter, we hope you love your reflective foil as much as we do.

WE'D LOVE TO HEAR YOUR FEEDBACK.

If any reason you are not satisfied with your purchase, please do not hesitate to let us know why.

Installation

- Measure the correct length and cut accordingly.

- Cut the double sided tape and stick the tape behind the reflective foil.

- Place the sheet behind the radiator. In order to take full advantage from the product, stick the product to the wall.
