User Manual

4-IN-1 BLACKHEAD REMOVER

Removes blackheads, dead skin cells, dirt and excess oil. The powerful yet gentle vacuum unclogs pores, tightens skin and reduces fine lines. Weekly use will leave your skin looking fresh and radiant.

VACUUM HEADS

4 included suction heads to improve various skin problems.

Small: Gentle suction. Use on sensitive areas.

Big: Strong suction to remove blackheads effectively.

Oval: Removes fine wrinkles and firms skin.

Microcrystalline: Exfoliates and removes dead skin cells.
