### MSI Warranty Procedures and Conditions

This is only valid for Australia.

The terms and conditions of MSI's warranty described herein adhere to the guidelines set forth by the Australian Competition & Consumer Commission ("ACCC"), in addition to the specific provisions under the Australian Consumer Law ("ACL").

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail within a reasonable period of time.

**(1) Determination of the warranty period:**  
The warranty period starts from the date you purchase the product with valid invoice. If the date of the warranty period is a holiday, the following day shall be the day of the warranty period.

**(2) Customer-Induced Defect (CID):**  
If the problem or symptom is not diagnosed with improper usage defined as Customer-Induced Defect (CID), shall not be accounted in warranty claim of the product. MSI reserves the right to determine whether the products are operated within the scope of proper usage.

**(3) Limited Warranty:**  
The software not provided is not covered under the Product's warranty. MSI does not warrant or accept any responsibility for the customer's use of any accessories, peripherals, or software, or any other non-MSI products.

**(4) Screen the problems by self-checking:**  
Please first review the User's Manual and contents of the Software CD included with the Product. The User's Manual and Software CD provided by MSI contain a full of information about product use. The manual will compose from user's perspective can answer many of your questions.

**(5) Warranty request:**  
If you cannot solve any problem of the product after the above methods, you may report your problem to the original date of purchase, and can provide you with necessary response and advice.

**(6) Bring the Product to the original source of purchase:**  
If your product has been determined by the MSI engineer or store as problematic or defective in hardware, and have your proof of purchase, you may bring the product for repair or replacement to the original date of purchase to send the product for repair or replacement to your retailer, to avoid further damage in the course of shipping.

**(7) Warranty receipt:**  
The valid invoice of your purchase shall be provided for the warranty service.

**(8) Contact:**  
If you need further additional warranty is required, please contact MSI Australia Pty at the following: 1/11, 22, Hines Rd, East Auburn NSW 2144, Australia. Email: austin@msi.com
