

20 ft = 195
40 ft = 390
40 HQ = 465

W x D x H =
45 x 44 x 75 cm

Gross weight
18 kg

Product data sheet

Product category	Gas heater
Brand	Qlima
Model	GH 8034
Colour	Black
EAN code	8713508782034

Technical specifications

Heating capacity steps	W	(1900~3400)W
Heating capacity	kW	3,4
Gas connection		2-in-1 Connector
Energy efficiency class		A
Consumption	g/h	138~247
Autonomy (min./max.)	h	61 - 108
For rooms up to	m ²	18 - 44
	m ³	68 - 110
Gas cylinder capacity (max.)	kg	15
Max. gas bottle dimensions (Ø/h)	mm	320 / 650
Control		mechanical
Dimensions (w x d x h)	mm	440 x 420 x 720
Net. weight	kg	15
Warranty	years	2

Package content

Gas heater, User manual

Accessories (not included)

Description	EAN code

Qlima

Mood enhancing

Adjustable thermostat

ODS

Oxygen detection safety system

Tip-over safety switch

Easy to move

High end design

Electronic ignition

Easy to operate

Features

Electronic ignition: Battery operated.

Flexible: The gas heater is capable of heating any room at any time. All gas heaters are mobile and can be used to provide extra warmth. For example, in draughty hallways, lounges or keeping you warm in a studyroom.

Efficient and quiet: The gas heater is efficient and quiet. No blowers or fans are required to distribute the heat.

Oxygen depletion sensor (ODS): The gas heater is equipped with oxygen depletion sensors (ODS). These sensors can tell how much oxygen is left in the air. Decrease in oxygen levels will activate the sensor to shut off the gas. This security measure activates long before you would feel the effects of low oxygen levels.

Castors: For easy movement the gas heater is provided with castors.

Full colour box: The unit is delivered complete (including auxiliary parts) in a full coloured box, displaying applications and operation information in several languages.

Tip over safety switch: The tip-over switch will automatically shut off the gas heater when the unit is tipping over.

Glass surface: The high-end appearance of this gas heater is emphasised by the glass surface. It has a smooth and contemporary design.

Design: This gas heater is part of a robust range of Qlima products.

Warranty: 2 year warranty.

Red flame: The ornamental coal together with the red colour of the flames will bring back the nostalgic feeling of a comfortable fireplace.

Glass front door: Equipped with a high-end class door with a silver coloured handle.

Automatic modulation device: With the included automatic modulation device, the user can determine that the heating output will automatically reduce at a certain room temperature. This creates comfort and energy savings at the same time.
