Diecast Masters' 1:87 scale models bring big-replica details to a smaller scale that's popular with HO railroaders as well as collectors of construction diecast. We are proud to introduce two additional models to the line: a D11 Dozer and 336 Next Generation Hydraulic Excavator.

These affordably priced new models join 13 other great 1:87 items representing the breadth of Cat machine types – including excavators, trucks, track-type tractors and more.
