Technical specifications

Article description:	Mobile gas cooker with ignition „BRANN II“ (2 burners)
Gas type:	Butane gas (227g butane gas cartridges according to EN 417)
Nominal heat input:	2.5 kW x 2
Gas consumption:	182 g/h x 2
Net weight:	approx. 2.82 kg (without gas cartridge)

Notes on environmental protection

The article and packaging are made of recyclable materials. Dispose of the packaging according to type. Use the local disposal options.

Disposal of the used gas cartridge:

Before you dispose of the gas cartridge, you must use it up completely - the gas cartridge must be empty. To do this, leave the flame on the gas cooker burning until the flame goes out. Gas cartridges with the „Green Dot“ symbol can be disposed of as recyclable material. Gas cartridges without the „Green Dot“ symbol must be taken to hazardous waste collection points.

WARRANTY CONDITIONS

The statutory warranty conditions stipulated by law in your country apply. We accept no liability for damage to property or personal injury caused by failure to observe these instructions for use or by improper handling. In such cases, all warranty claims are void. In the course of continuous product improvements, we reserve the right to make technical and design changes.
