SAFETY NOTES

- Keep the equipment dry. Keep away from precipitation, humidity, all types of liquids and condensation.
- Do not use the product with wet hands.
- Do not use or store the equipment in dusty or dirty areas.
- Do not store the equipment under high-temperature or low-temperature conditions (this may damage it).
- Do not drop, knock or shake the equipment as it may damage it.

INSTALLATION

Connect the mouse to an available USB port on your computer. When connecting for the first time, wait 15 seconds until the generic driver is installed.

For advanced mouse configuration, please download and install the specialized driver at www.marvo-tech.hk (an Internet connection is required):

- download the driver and double-click the executable file;
- follow the on-screen instructions and install the application;
- after installing the application successfully, an icon will be displayed in the taskbar;
- double-click this icon to launch the application.
