

Nourishing Hand & Body Lotion

- Soft and nourishing cream for hands and body
- Fresh scent of lavender and bergamot
- Natural ingredients such as linseed oil, macadamia extract and avocado oil
- For every skin type

The Naïf Nourishing Hand & Body Lotion is a wonderful all-rounder that can be used for the entire body at any time of the day. Whether you take your time to massage it in after a hot shower or apply it quickly for some extra hydration on-the-go; a natural mix of linseed oil, macadamia extract and avocado oil provides natural care and regulates your skin balance long-term. Also, good to know: the sustainable packaging is made of bioplastic based on sugar cane and is 100% biodegradable. The Naïf Nourishing Hand & Body Lotion spreads easily, absorbs quickly and doesn't feel sticky. Rub 'n roll.

Naïf is 100% vegan, ocean friendly and uses natural ingredients.
All products are developed and produced in the Netherlands.
