

USB-C HUB

INSTRUCTION MANUAL

ALUMINIUM DESIGN

The Hub is crafted from aluminium, which not only looks good, but also makes the hub strong enough to travel everywhere you do.

USB-C PD PORT

The Hub features a 60W USB-C PD pass through port that can be used to charge your device, while using the hub!

FIVE IN

Despite the compact design, the Hub packs an SD card reader, 4K HDMI port, as well as a 3.5mm audio jack port. It also features a USB-C PD pass through port.

2 YEAR WARRANTY

All Xtorm products have a 2 year warranty in case something goes wrong. We ensure that you will receive a replacement if the product fails within 2 vears.

Tech Accessions has tested the product in a test environment. All a test environment.
