The metal plate can interfere with wireless charging and NFC Function (like Samsung Pay). Remove the metal plate before using those services.

Install the Metal Plate

1. If the force on **2** is not powerful enough, check **1**.
2. Stick the protective film to the glass back of the phone case before the metal plate.

Install the Car Mount

Note: 1. Don't touch the adhesive pad for 24 hours after installation. 2. Don't touch the adhesive pad for 24 hours after installation. 3. Don't touch the adhesive pad for 24 hours after installation.

Reinstall the Car Mount

The 3M adhesive can only be used once. Reinstall is best when you need to reinstall the mount.
