- *Designed for unisex use; suitable for men or women*
- *Super-absorbent fabric breathable and skin-friendly suitable for men or women*
- *Anti-bacterial with odour control for peace of mind*
- *Elasticated fit with leak guard and secure fastener for confidence*
- *Full protection for bladder and bowel incontinence*
- *Non-Chlorine Bleach; kinder to you and the environment*

The anti-bacterial adult nappy is designed to be worn by men or women and features super-absorbent fibre for even absorption. The breathable, skin friendly adult diaper will keep skin dry and comfortable while the secure, re-fastenable tape and elastic leg gathering provide a comfortable fit. With other features including wetness indicator, easy tape panel, leak guard and standing leg cuff, plus a soft and dry non-woven surface and odour control, the adult diaper provides full protection for adult incontinence. Available in two sizes.

Caution: Avoid direct contact of the fastening tapes with the skin. Change diaper immediately upon soiling. If irritation or discomfort occurs, discontinue use and consult your physician. Keep plastic bag away from children. This product will burn if exposed to flames.
