

DECLARATION OF CONFORMITY

In accordance with Act No. 22/1997 Sb., providing for technical requirements for products and for change and amendment of some Acts, Act No.268/2014, providing for medical devices and for change of Act No. 634/2004 Sb., providing for administration fees as amended, in accordance with Decree of Government No. 54/2015 Sb., providing for technical requirements for medical devices and in accordance with the regulation of the Council Directive 93/42/EHS providing for medical devices

as amended.

MANUFACTURER: LIPOELASTIC a.s.
Radlická 608/2, Smíchov, 150 00 Praha 5
Company registration No.: 26730804

hereby confirms that the medical device which is described in Annex No. 1 of this Declaration, including variations described in Annex No. 2

complies with the basic requirements of the Council Directive 93/42/EHS providing for medical devices as amended, which was implemented into Decree of Government No.54/2015 Sb., providing for technical requirements for medical devices, which determines technical requirements for medical devices.

Purpose of use and description of medical devices:

The devices have been designed to be used by humans for compressive therapy and treatment for patients in the field of plastic and aesthetic surgery. The medical device is safe when used as directed and it is designed for repetitive use under stipulated hygienic and other conditions.

Classification of the product as medical device:

Decree of Government No.54/2015 Sb., or Council Directive 93/42/EHS, Annex 9 regulation 1: class I., non-sterile, without measuring function.

Technical requirements of regulations

ČSN EN ISO 9001:2009 – Quality management system

ČSN ISO 3758:2012 – textile – symbols for treatment

In Prague, on 2nd March 2016.
