Attention: This device may only be used indoors in all EU member states, EFTA countries, and Northern Ireland.

Attention: This device may only be used indoors in Great Britain.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference. (2) This device must accept any interference received, including interference that may cause undesired operation.

Specifications are subject to change without notice. TP-Link is a registered trademark of TP-Link Corporation Limited. Other brands and product names are the registered trademarks of their respective holders. Copyright © 2022 TP-Link Corporation Limited. All rights reserved.

†Clients need to support 802.11k/v/r and may require additional setup. Performance may vary depending on the client device.

‡Maximum wireless signal rates are the physical rates derived from IEEE Standard 802.11 specifications. Actual wireless data throughput and network performance may vary due to network conditions, wireless coverage, and quantity of connected devices are not guaranteed and will vary as a result of network conditions, client limitations, environmental factors, including building materials, obstacles, volume and density of traffic, and client location.

^Use of MU-MIMO requires clients to also support MU-MIMO

§For HomeCare™ service, TP-Link reserves the right to modify the service and feature at any time.
