Precautions

⚠ **WARNING:** As with many other electrical devices, failure to take the following precautions can result in serious injury or death from electric shock, fire, or damage to PlayStation 4 accessories and console:

Use only an approved charging cable.

Do not allow a wireless device or charging cable to become wet.

Unplug the charging cable during lighting storms or when unused for long periods.

To prevent damage, avoid sitting or stepping on a wireless device, its cable, or the Cable plug or connector.

⚠ **CAUTION:** Cables and Cords:

To reduce potential trip hazards or entanglement hazards, arrange any cables and cords so that people and pets are not likely to trip over or accidentally pull on the mass they move around or walk through the area and do not allow children to play with cables and cords.
