CE 1974 EN352 earpeace.com Model EP - PRO Version: 200226_EarPeace

EarPeace declares this hearing protection is compliant with PPE regulation EU 2016/425. The text of the EU declaration of conformity can be found at: earpeace.com/compliance

For additional information visit earpeace.com or contact support@earpeace.com

The test according to EN 352-2:2002 and certification to the regulation EU 2016/425 and the production control module D was performed by PZT GmbH, Bismarckstraße 264 B, 26389, Wilhelmshaven, #1974, Germany.

• Careful use of the earplugs is essential for the user's ear canal. Depending on the user's ear canal, the earplugs may vary depending on the user's ear canal. Depending on the user's ear canal, the earplugs may vary depending on the user's ear canal. Depending on the user's ear canal, the earplugs may vary depending on the user's ear canal.

• Keep ear plugs away from infants and small children. These ear plugs are hypoallergenic silicone and however, if they are swallowed they can become the windpipe, possibly leading to serious injury.

• EarPeace cannot guarantee that any type of warning signals or communications in the immediate or area can be heard or understood. The sound level frequency context of the warning and background can vary in different situations.

• These ear plugs should be stored before and after the enclosed aluminum tube case. After use it is to clean the ear plugs, which will greatly extend life. Check the ear plugs for signs of wear before use. If the ear plugs are torn or show signs of fatigue should be replaced.

• The user of these ear plugs assumes all risk and responsibility for any and all results or circumstances may arise in conjunction with the use of these earplugs. TO THE EXTENT PERMITTED BY LAW, EARPEACE AND ALL LIABILITY TO THE AMOUNT PAID FOR ANY AND ALL LIABILITY TO THE AMOUNT PAID FOR EAR PLUGS. IN NO INSTANCE SHALL EARPEACE BE LIABLE FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES.
