

SMASH UP

Expansion

Smash Up is back with even more wild factions in the mix! Science Fiction Double Feature brings four new groups to the base-smashing business, with abilities unlike those seen before. The Time Travelers will allow you to reuse and replay your cards time and time again. The Cyborg Apes take actions that attach to your minions to a whole new level. Super Spies use their mojo in espionage to plot out the future of you and your opponents, while finally the Shapeshifters could be anyone...

Smash Up: Science Fiction Double Feature is an expansion to the wildly popular card game Smash Up where you take two completely separate genres, smash them up, and try to conquer bases on your way to ultimate victory. This expansion features Time Travelers, Cyborg Apes, Super Spies and Shapeshifters. Enough for two players and fully compatible with any other Smash Up product.
