

## SAFETY INSTRUCTIONS

1. **Read Instructions** - All the safety and operating instructions must be read before the product is operated.
2. **Retain Instructions** - The safety and operating instructions should be kept with the product for future reference.
3. **Heed warnings** - All warnings on the product and in the operating instructions should be adhered to.
4. **Follow instructions** - All operating and users' instructions should be followed.
5. **Water and moisture** - To reduce the risk of fire or electric shock, do not expose the product to rain, dripping, splashing or excessive moisture such as in a sauna or bathroom. Do not use this product near water, for example, near a bathtub, washbowl, kitchen sink, laundry tub, in a wet basement or near a swimming pool (or similar).
6. **Object and Liquid Entry** - Never push objects of any kind into this product through openings, as they may touch dangerous voltage points or short-circuit parts that could result in a fire or electric shock. Never spill liquid of any kind on the product. Do not place any object containing liquid on top of the product.
7. **Servicing** - Do not attempt to service this product yourself, as opening or removing covers may expose you to dangerous voltage or other hazards. Refer all servicing to qualified service personnel.
8. **Replacement parts** - When replacement parts are required, ensure that the service technician has used replacement parts specified by the manufacturer or have the same characteristics as the original part. Unauthorized substitutions may result in fire, electric shock or other hazards.
9. Clean your unit with a soft cloth moistened only with mild soap and water. Stronger agents such as benzene, thinner or similar materials can damage the surface of the unit. Make sure the unit is unplugged before cleaning.
10. **Battery**
  - a. The batteries must not be exposed to excessive heat such as sunshine, fire or the like.
  - b. The batteries should be drawn to the environmental aspects of battery disposal.
  - c. Battery usage **CAUTION**-to prevent battery leakage which may result in body injuries, property damage, or damage to the apparatus:  
Install all batteries correctly, + and - as marked on the apparatus.  
Do not mix batteries (old and new or carbon and alkaline, etc.)  
Remove batteries when the unit is not used for a long time.
