

- Flexible rubber tubing and single fan, to fit almost any ATX case
- Aluminium radiator with high-density fin array for maximum surface area
- Copper heat sink for outstanding thermal conduction
- Quick and easy to install for PC builders of any experience level
- Sealed closed-loop design, never needs refilling
- Near-silent operation with <30 dBA maximum noise level
- Standard 4-pin power connectors
- Illuminated 120mm fan with 33 LEDs for a spectacular mood light from your PC case

DE Universeller, leistungsstarker wassergekühlter AIO CPU-Kühler mit 120 mm Kühler und LED-beleuchtetem Lüfter

FR Refroidisseur de liquide pour processeur, universel, tout-en-un, haute performance, avec un radiateur de 120 mm et un ventilateur éclairé par LED

NL Universele AIO CPU-waterkoeler met hoge prestaties, 120mm radiator en met LED verlichte ventilator

IT Dissipatore a liquido per CPU universale AIO ad alte prestazioni, con radiatore di 120 mm e ventola illuminata a LED

ES Refrigerador de agua para CPU universal, de alto rendimiento, todo en uno con radiador de 120 mm y ventilador con iluminación LED

PT Refrigerador líquido de CPU

NO CPU vannkjøler

SV CPU-vätskekylare

Aluminium radiator

Flexible rubber tubing

Copper plate & heat sink

PACKAGE CONTENTS:

- Pump with tubes and radiator attached
- 120mm fan
- Mounting brackets for Intel and AMD CPUs
- Fan and radiator mounting screws
- Thermal compound
- User guide
- Gaming sticker

SPECIFICATIONS:

PUMP	
Dimensions	62x62x35mm
Power connector	4-pin
Input Voltage	12V DC
Power consumption	3.1W (max)

TUBING	
Material	rubber
Inner diameter	5.5mm
Outer diameter	12.5mm
Length	315mm

RADIATOR	
Dimensions	154x120x27mm
Material	Aluminium

COOLING FAN	
Dimensions	120x120x25mm
Noise level	21-30 dBA
Rotation speed	400-1300 RPM
Air flow	22-146 m³/h (20.13-86 CFM)
Air pressure	0.46 - 3.8 mm/H ₂ O
Connector	4-pin
Power consumption	3W (max)
Special features	33 LEDs (red)

GENERAL	
CPU socket compatibility	AMD AM2(+), AM3(+), AM4, FM1, FM2 Intel LGA 1150, 1151, 1155, 1156, 1366, 2011
Weight	685g

MINIMUM REQUIREMENTS:

- PC case with fan header(s) suitable for 120x120 fans
- 2x 4-Pin connection
