

The Latium Wireless Wall Light is the ideal lighting solution for any indoor room. To attach the lamp to the wall, the lamp comes with 3M tape or screws. The lamp can be recharged with the supplied USB-C cable. With three different color- and brightness levels, the lighting is fully customizable to suit your needs.

**This package includes:**

- Wireless Wall Light
- 2x 3M adhesive strips
- USB-C cable
- Screws
