

Hej, I'm Freya the fox

and I am ready to be your friend! All my details are embroidered and I'm made from soft organic cotton, so you are safe with me.

Munch away on my teether and listen to the soft ringing sound of the bell in my tummy. Let's play together!

To take good care of the environment, your fox is filled with recycled polyester. Her teether is made from 100% BPA-free silicone for comfy chewing. Unlike other foxes, Freya loves to take a dip and can easily be cleaned in the washing machine. Freya the fox is handmade which gives your cheeky friend a unique look.

Organic cotton

Safe Silicone

Recycled filling

Machine-washable

Designed in Denmark with love
Produced with care in India

Filibabba ApS - Langhøjvej 1B, st.tv. DK 8381 Tilst - Mail: hello@filibabba.com
