Troubleshooting

- When the Indicator Light is off
- Please charge the USB C cable
 - Please charge the Adapter (make sure you use a QuickCharge 3.0 Adapter)
- When the Indicator Light flashes
- Please check whether your phone supports Qi wireless charging
 - Please remove the phone case
 - Place the phone in the center of the charging surface
 - Please adjust the orientation of the phone, horizontal and vertical
 - Please shut down the phone, restart the device and place it back to the charging station
