Use of the Made for Apple badge means that an accessory has been designed  
to connect specifically to the Apple product(s) identified in the badge, and has  
been certified by the developer to meet Apple performance standards. Apple is  
not responsible for the operation of this device or its compliance with safety and  
regulatory standards.

Please note that the use of this accessory with an Apple product may affect wireless  
performance.

iPad, iPad Air, iPad Pro, iPhone, and Lightning are trademarks  
of Apple Inc., registered in the U.S. and other countries.

Supports fast charge for iPhone 8 or later when used with an 18W or higher USB-C  
power adapter that supports USB Power Delivery (USB PD). You can recharge your  
iPhone up to 50 percent in 30 minutes.
