Fondue with your friends or family

The fondue bowl has a capacity of 1.5 litres and is suitable for up to 8 persons. It also comes with a fondue ring and 8 forks, so you will be able to fondue with your friends or family thanks to this large set!

High quality pan with well-designed handles

This fondue's trendy design includes non-slip feet and neatly finished die-cast aluminum handles, which makes it easy to move around. The pot itself is also made of high quality die-cast aluminum, which distributes the heat evenly. Finally, the fondue pan has a non-stick coating, making it very durable in the long term and also very easy to clean.

Both convenient and durable

The 2-metre power cord is detachable and comes equipped with a thermostat. The length of the power cord is long enough to place the fondue anywhere without using extension cords.

Part of the Princess Premium set

The Fondue Premium is part of the extensive Princess Premium series. This device is suitable for all types of fondue, such as the traditional oil fondue, Swiss cheese fondue, chocolate fondue and even bouillon fondue!
