

BoostCharge Pro Dual USB-C® Wall Charger with PPS 60W

Fast charge an iPhone or Samsung smartphone while you charge another device at the same time with our 60W Dual USB-C Wall Charger. Each USB-C port offers 30W of power to enable rapid recharge of your smartphone as well as a tablet simultaneously. Integrated PD 3.1 PPS technology provides high-speed safe charging to almost all PD-enabled devices. It's USB-C PD 3.1 certified to deliver fast charging of 0-50% in 24 minutes* for iPhone or 0-50% in 24 minutes for Samsung S23+. Thoughtfully designed with a small footprint, this compact and travel-friendly charger fits to any environment to deliver dual charging wherever it's needed.

The Belkin BoostCharge Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly to any environment to deliver fast, safe power at home, in the car or on the go. Smart circuitry detects the connected device to deliver optimal charging, while universal charging protocols such as USB-A, Lightning connectors and USB-C offer widespread compatibility.

The Belkin BoostCharge Family Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Portability
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to €2000

The Belkin Difference

- Pioneer in innovation and technology for 40 years
- Rigorously tested to ensure safe charging for users and their devices
- Covered by a 2-year product warranty and a €2000 Connected Equipment Warranty for total peace of mind
