HIBISCUS

Hibiscus flowers of any colour always brighten any space, whether indoors or in gardens. Even more so when you find the unique and luxurious lavender-coloured variations. If you are gifted a purple hibiscus, it can symbolise a wish for growth and transformation – or simply offer a delicate touch of colour to your home. As part of the LEGO® Botanicals collection, this potted, single-stem specimen combines a range of these regal blossoms into one. With varying hues of pink and purple, it even mimics different life stages of the characteristic buds, petals and leaves.
