

Wireless Optical Mouse

M10

Reliable 2.4 GHz wireless connection

High resolution 1000 DPI sensor

Up to 9 months battery life

Wireless Optical Mouse

M10

This stylish and compact wireless mouse transmits using the proven advanced 2.4 GHz standard. The ergonomic design, which is suitable for ambidextrous use, and a high-resolution 1000 DPI sensor make surfing and clicking a joy. The supplied nano

USB receiver can be stowed conveniently in the base of the mouse. The 5 color versions add a fashionable touch, whether at home on the desktop or while on the move.

► Reliable 2.4 GHz wireless connection

Carefree wireless: The proven Advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

► High resolution 1000 DPI sensor

Enjoy total control: The high-performance 1000 DPI optical sensor offers you smooth and accurate mouse-pointer control.

► Up to 9 months battery life

Low energy consumption: Rapoo's latest energy-saving technology combined with the on/off switch means you can use this mouse continuously for up to 9 months.

► Fashionably stylish and colorful

Find your style: The stylish design is available in pink, green, orange, blue, grey and black. The ultra comfortable, ergonomic shape is suitable for ambidextrous use.
