

Product	Organic Wheatgrass Powder (EU)
Deutsch	BIO Weizengras Pulver (EU)
Nederlands	Tarwegras (EU) BIO
Latin	Triticum Aestivum
Country of origin	EU
Article Number / Artikelnummer	40069
Issue date / Ausgabedatum	17-04-2018
Reference code / Referenznummer	02032018
Control Body Number	NL-BIO-01

BRIEF DESCRIPTION

Wheatgrass powder is produced from the leaves of the commonly known plant - Triticum Aestivum. Our wheatgrass is grown on the fertile plains in Europe, and is are harvested whilst still young to capture the peak nutritional essence of the plant. It is then processed at one of the largest, highly innovative, and most efficient dehydration facilities in Europe. The final processing step involves milling wheatgrass into a fine powder form. It takes 5kg of fresh leaves to produce 1kg of powder.

INGREDIENTS

100% Organic Wheatgrass

SUGGESTED USE

3-5g per day. Please consult your doctor before taking any nutrient-dense products.

PRODUCTION PROCESS

Harvesting young wheatgrass → cutting → pre-drying → dehydrating → separating → milling → sieving → packaging → sifting → grinding → sieving → packaging

PACKAGING

20kg poly inner liner multilayer kraft paper bag.

SHELF LIFE & STORAGE

3 years from manufacture date. Store in a cool, dry place.

NUTRITIONAL INFORMATION

	Per 100g	Unit
Energy	1071/259	kJ/kcal
Fat	2.1	g
Of which saturates	0.45	g
Of which mono-unsaturates	0.28	g
Of which polyunsaturates	1.29	g
Carbohydrate	20.7	g
Of which sugars	9.3	g
Fiber	52.5	g
Protein	13.0	g
Salt	0.02	g
Vitamin A	21	µg
Vitamin C	46.3	mg
Calcium	428	mg
Iron	18.8	mg
Zinc	2.1	mg
Copper	0.5	mg

ALLERGEN STATEMENT

We hereby certify that Wheatgrass powder sold by VehGro does not contain any substances causing allergies or intolerances as ingredients. However, there is a remote possibility of cross contamination by gluten (please see explanation below). The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Annex IIIa of Directive 2007/68/EC. Please note that this statement is based on the information provided by the manufacturer of the product.

While Barley Grass and Wheatgrass in their pure forms are considered gluten-free, it matters how they're harvested and how products containing them are produced. Gluten is contained in the seed of the wheat and Wheatgrasses. Therefore, if a farmer allows some of the grasses to begin producing seeds prior to harvest, then that particular crop will contain gluten or have gluten exposure. While our grass powders are from quality, respected sources, and we do not believe they are harvested with any seeds, we recommend that anyone with celiac's disease or gluten-free diet issues avoid any product containing Barley or Wheatgrass that's not specifically tested to be gluten-free.

AUTHENTICITY

Organic Wheatgrass Powder (EU) is 100% natural and does not contain any additives such as sugars, acids, colorants, preservatives, etc.

GMO FREE

Organic Wheatgrass Powder (EU) is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that Organic Wheatgrass Powder (EU) is not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

PESTICIDES

Organic Wheatgrass Powder (EU) complies with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). It also complies with Soil Association strict organic farming standards. During the manufacturing process the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on site, nor used in the manufacturing or warehousing areas.

IRRADIATION

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

BSE STATEMENT

Organic Wheatgrass Powder (EU) is produced exclusively from plant source and does not contain any components from animal origin. It has not been derived from any animal source and has not come into contact with any components of animal origin.

RESIDUAL SOLVENTS

No residual solvents are used in the manufacturing process.

LEVEL OF UNDESIREABLE SUBSTANCES

The strictly controlled production process of Organic Wheatgrass Powder (EU) ensures that the undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

ANIMAL TESTING STATEMENT

VehGro confirms that we do not conduct or commission animal testing of any products

Das Produkt entspricht hinsichtlich der obigen Information den Anforderungen des deutschen und europäischen Lebensmittelrechts in der jeweils gültigen Fassung. Die Erzeugnisse sind ordnungsgemäß deklariert und so verarbeitet, dass die jeweils vorgegebenen Mindesthaltbarkeitsdaten unter Berücksichtigung der Lagervorgaben mit Sicherheit gewährleistet sind, dass sowohl in quantitativer als auch in qualitativer Hinsicht keine Beanstandungen bezüglich wertbestimmender Teilmengen zu erwarten sind, dass das Risiko für Fremdkörperkontaminationen nach menschlichem und technischem Ermessen ausgeschlossen ist und die Freiheit von pathogenen Stoffen als gesichert anzusehen ist.

Regarding information given above the product complies with the applicable requirements of German and European food law in its latest valid version. The product is properly declared and processed, so that each set expiration dates with respect to determined storage conditions are guaranteed with certainty that regarding quality and quantity there is no complaints about value determining subsets to be expected that the risk of foreign body contamination by human and technical judgement is excluded, and the freedom of pathogenic agents is to be regarded as certain.

Alle angegebenen Werte sind Durchschnittswerte und unterliegen zum Teil den bei Naturprodukten üblichen Schwankungen. Diese haben nicht die Bedeutung von Eigenschaftszusicherungen. Sie sind unverbindlich und bilden keine Grundlage für gewährleistungs- oder produkthaftungsrechtliche Ansprüche.

All given values are average values and are sometimes subject to the usual fluctuations in natural products. These do not have the meaning of guarantees on characteristics. They are not binding and do not constitute basis for warranty or product liability legal claims.

Diese Spezifikation wurde mittels EDV erstellt und ist ohne Unterschrift gültig.

This specification was created automatically and is valid without a signature.

This is an agricultural product, therefore some batch variation may occur in; colour, flavour, odour, appearance or composition, reflecting growing conditions and seasonal variation.
