

WARNING: This SFR helmet is designed and tested for use in non-motorized recreational sports using equipment such as pedal Cycles, skateboards, scooters and rollerskates and by children who are five years of age and older. No helmet can protect the wearer against all possible impacts, for maximum protection the helmet must be fitted properly and securely in accordance with the fitting instructions found in the owners manual. This helmet can be penetrated by a sharp object. SFR skate helmets are not to be used with motorized vehicles and are not advised to be used with any other sports.

This helmet must not be used by children for climbing or in other play activities or places where a risk of strangulation exists if the helmet gets caught. This helmet absorbs the shock of an impact by partial destruction of the shell or EPS liner, the damage may not be visible to the eye but in either case, the helmet should be destroyed and replaced. Do not paint the helmet and applying stickers could damage the helmet. The helmet padding are an integral part of the helmet and may be removed and cleaned with mild soap and warm water.

YOU MUST READ THE INSTRUCTION MANUAL SUPPLIED WITH THIS HELMET BEFORE USE.
ALWAYS WEAR A HELMET AND PROTECTIVE PADS! THIS HELMET IS TESTED TO EN1078
