EXPERIENCE PRECISION

TESTED TO 100 MILLION KEYSTROKES

INTELLIGENT LIGHTING ENGINE

AIMO™ LIGHTING ENGINE

DETACHABLE AIMO™ PALM REST

32-BIT ARM® CORTEX M3 PROCESSOR

FULL-SIZE OPTICAL RGB GAMING KEYBOARD

ROCCAT VULCAN II MAX

**ROCCAT VULCAN II MAX**

**TITAN II OPTICAL SWITCH**

Tested to 100M keystrokes and engineered for speed and precision. Now optimized for lighting and fully compatible with 3rd party key caps.

**TITAN II**

**ROCCAT® SMART KEY**

The first keyboard switch with 2 LED's. Pressing FN intelligently highlights the secondary functions on 24 keys.

**AIMO™ RGB PALM REST**

The first fully illuminated detachable palm rest expands the lighting experience like never before. The durable and soft silicone material ensures all-day comfort.

**NEXT-GEN AIMO™ LIGHTING**

The powerful 32-Bit Arm® Cortex™ M3 Processor produces next-generation AIMO™ lighting effects at double the resolution of other keyboards.

**CONTROL AT YOUR FINGERTIPS**

Mute, play, switch profiles and more with ease. ROCCAT® Smart Keys highlight secondary functions, giving you critical information at a glance.

**CONTROL MORE...**

Select onboard profiles, instant messages, CPU and GPU temperature monitor and more.

- 32-BIT ARM® CORTEX™ M3 PROCESSOR
- 2-POSITION FEET
- 4MB ON-BOARD STORAGE (4 PROFILES)
- CUSTOM KEY CAP COMPATIBLE

TECHNICAL SPECIFICATIONS

- Switched Aluminum Top Plate
- 18m Braided USB Cable
- Weight: 2000g (without palm rest)
- Dimensions: 459 x 239 x 42.5mm

SYSTEM REQUIREMENTS

- Windows 7 and above (software support)
- 32-Bit ARM Cortex™ M3 Processor
- ROCCAT® Smart Keys™ Technology
- 4MB On-board profile & settings memory (4 profiles)
- Full-Size Form Factor
- ROCCAT® Smart Key Technology
- Tested to 100 million keystrokes
- ROCCAT® Titan II Smart Optical (2-LED) Keyboard Switch
- Full-Size Optical RGB Gaming Keyboard
- Detachable AIMO™ Palm Rest
- Quick-Start Guide
- Windows 7 and above (software support)
- USB 2.0 port (or higher)
- Internet connection (for driver installation)

PACKAGE CONTAINS

- Shared Micro Keys
- 1000h gaming mats
- 32-Bit ARM Cortex™ M3 Processor
- ROCCAT® Smart Keys™ Technology
- 4MB On-board profile & settings memory (4 profiles)
- Full-Size Form Factor
- ROCCAT® Smart Key Technology
- Tested to 100 million keystrokes
- ROCCAT® Titan II Smart Optical (2-LED) Keyboard Switch
- Full-Size Optical RGB Gaming Keyboard
- Detachable AIMO™ Palm Rest
- Quick-Start Guide
- Windows 7 and above (software support)
- USB 2.0 port (or higher)
- Internet connection (for driver installation)
