

Curl Mousse

Flexible & defined curls

Smooth defined curls can return the sex appeal to wavy or curly hair if it is treated with specific products.

Curl Mousse is a strong hold foam that contributes an extra fixation for enhancing waves and curls giving flexibility, volume, body and shine to the hair. It makes the hair more manageable, protects it during the drying and keeps the hairstyle for longer.

Result: Perfect waves and curls.

Hair type: Wavy, curly or permed hair.

Hold: 3.5 – Medium / Strong.

Active ingredients & properties:

- **Polyquaternium-55:** Contributes light hold and softness. Enhances the style thanks to its water resistant properties, protect the hair from thermal damages, avoid the effect of the static electricity and prevent colour fade.

Fragrance: Neutral.

How to use: Shake before use. Invert the can, release a small amount into hands and apply to damp hair styling as desired.

Tips & advices: Combine with **Curl Activator** for a better definition or to improve the hold. In that case apply the Curl Mousse after Curl Activator.

Warnings: Pressurized container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn even after use. Do not spray on a naked flame or any incandescent material. Keep away from sources of ignition. No smoking. Keep out of the reach of children.

Related products: **Curl Activator** and **Waving** products to define and hold the curls. Use **Nutritive Shampoo** and **Bifase, Balm, Restorer, Strengthening Cream** or **Total Hydration**, depending on the needs and desired effects, to care curly hair.
