A diagram illustrating the combination of two components. On the left, a light blue rounded rectangle labeled 'FN' is followed by a plus sign '+'. To the right of the plus sign is another light blue rounded rectangle labeled 'INS' with a small circular icon containing a stylized 'i' below the text. A large blue arrow points from these two components to a light blue lightbulb icon on the right. The lightbulb has several red starburst shapes around it, indicating a bright idea or solution.

A diagram illustrating the combination of two features. On the left, a light blue rounded square labeled 'FN' is followed by a plus sign '+'. Next is another light blue rounded square labeled 'DEL' with a circular arrow icon below the text. A large arrow points to the right, leading to a circular color wheel labeled 'RGB'.

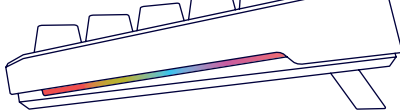

[illegible]

Diagram illustrating the RGB lighting control sequence:

- FN + ALTGR + INS** → Lightbulb icon with four red diamonds (Indicator on).
- FN + ALTGR + DEL** → RGB color wheel icon (Color selection).
- FN + ALTGR + PG UP** → Three lightbulb icons showing increasing brightness (Brightness up).
- FN + ALTGR + PG DN** → Three lightbulb icons showing decreasing brightness (Brightness down).
