Product parameter

Product name: Cylindrical lamp

Product model: HBKYZD-01

Material: ABS, HIPS, silicone

Power input: 5V 1A

Rated power: input 2.6W; output 0.3W

Color temperature 2835LED*6 pcs 3000K

Power supply mode: USB rechargeable battery

Battery capacity: 1200mAh

Switch type: button type

Whether the brightness is adjustable: YES

Use time: "10 hours for strong gear, 100 hours for weak gear

Charging time: 3-4 hours

Product net weight: about 190g

Product size: diameter 82mm * height 95 mm

Packing size: 130mm*110mm*90mm

Product color: Cocoa Brown / Cinnamon Red / Milky White / Beech

Additional function: timing

Instructions for use

1. Multiple functions, three modes: long on, timing off, breathing light mode, rotating timing to turn off the light, long-press stepless dimming, double-click the breathing light to help sleep, can be a night light, mother and baby light, bedside light, non-slip Silicone bottom design, simple design can be placed anywhere
