Wellys® GI-124019: Arm & Leg Pedal Exerciser 2in1

Wellys® GI-124019: Arm & Leg Pedal Exerciser 2in1

This Wellys® GI-124019 Arm & Leg Pedal Exerciser 2in1 is a high-quality stepper that can exercise over 20 different muscles. Its heavy-duty stainless steel construction provides ultimate stability and lifetime durability, and the foam handle is anti-slip, comfortable, and soft to the touch.

Features:

You can exercise your leg and arm by sitting in your chair or sofa. It can be used in the office or at home and provides gentle low-impact exercise for muscle toning and circulation improvement. Ideal for a regular workout of the arms and legs in a sitting position with little impact on the joints. The non-slip reinforced feet pad provides stability throughout your workout, as well as preventing sliding and protecting floors, tables, and surfaces. Simply exercise while watching TV - no need to pay a membership at the gym! A regular workout can burn calories, tone your muscles and improves your health and blood circulation.

Non-skid feet hold the exerciser firmly in place Adjustable height with five different levels
