**VIP A Plus:** 2in1, Cool Gel Bamboo Charcoal infused Viscoelastic Memory Foam + Green Tea infused HR Cold Foam, Ergonomic 7 Zone Mattress, Zero Motion Transfer, Pressure Relief, Medium(H3, H4) Hardness, 500gr/m2 Elegant 3D Fabric, High Ventilation, Engineered in Belgium"

**2in1:** You can experience both on your VIP A Plus 2in1 mattress ! on one side you have our special innovation bouncy cold foam with Green Tea enrichment and on the other side you have our Zero Motion Transfer Cool Gel Memory foam (which is enriched with Bamboo and Charcoal ions). You just need to flip&flap the cover in this universal mattress concept in order to taste two different sleep experiences. You will always keep the strong anti-slip feature in your cover in order to have the optimal comfort of your mattress. A Healthy Deep Sleep is ensured with a VIP welcome for your body for a healthy sleep, your mattress should sufficiently support your natural anatomic position, while gently conforming every curve of your body.

**VIP A Plus:** 2in1 mattress was born from our innovative Cool Gel Memory foam (which is enriched with Bamboo and Charcoal ions) carefully molds to the shape & curves of your body like a cocoon (in each of your sleeping positions including side-sleep, back-sleep, stomach-sleep) without excessively sinking you; and guarantees an optimal elasticity to provide a comfortable support with our other innovation Green Tea infused High Resilience Cold Foam. Your VIP A Plus 2in1 mattress is always soft enough to respect the morphology of your body while guaranteeing for sure a good support for your spine.

VIP A Plus 2in1 mattress has special 7 ergonomic zones guaranteeing that your body weight allocation is respected and supported according to its nature. 7 zones of your body are supported separately in a balance with respect to its weight allocation. This is to keep your best anatomic posture! Pressure Relieving feature converts the extra pressure points into a fulfilling gentle feeling without disturbing you in your sleep to provide a deeper sleep. As a result, 5 layers of comfort and 7-zone ergonom

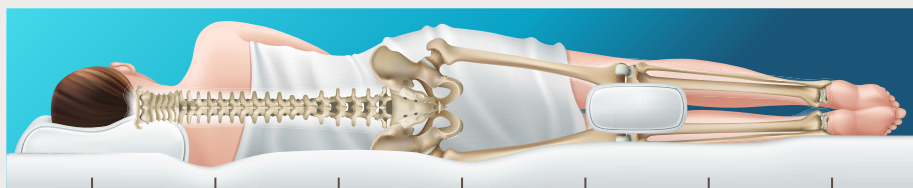

**Thanks to Zero Motion Transfer:** When you sleep on VIP A Plus 2in1 mattress, your turn & toss will never disturb your partner in the bed. Because VIP A Plus 2in1 mattress has a top level of Point Elasticity to avoid your motions are transferred to your partner's side in the bed. As a result, by the help of "No Disturb" feature, VIP A Plus 2in1 mattress ensures a better quality sleep. The pressure relieving Scarnatti brings the perfect sleeping independence allow everyone to make their place on the mattress according to their morphology without disturbing or being disturbed by their partner. It is also suitable for all sleepers especially back sleepers, side sleepers and stomach sleepers. Also thanks to the engineering of VIP A Plus 2in1 mattress which offers you a very quiet and silent mattress.
