Sassy developmental baby toys are designed to help provide a solid foundation for lifelong learning by fostering development and stimulating the brain. High contrast patterns, playful textures, various sounds, age-appropriate materials and innovative functional features are all key components to our Sensory Play and STEM toys.

WARNING:

- Remove all packaging and fasteners before giving to child.
- Possible entanglement or strangulation injury when attached to crib or playpen.
- Do not attach to crib or playpen.
- Do not tie together with other toys.

KEEP CLEAN:

- Clean thoroughly before first use.
- Wipe clean with a soft, damp cloth.
- Do not immerse in water.
- Air dry.
