

## **EU DECLARATION OF CONFORMITY**

### ***SPITA ResQ-plast products***

1. This declaration is for all SPITA ResQ-plast products with the brandname/logo ResQ-plast printed in the core.
2. This declaration is made by the manufacturer of SPITA ResQ-plast:

SPITA Smart Products BV – Harderwijk (NL)

3. This declaration of conformity is issued under the sole responsibility of the manufacturer:

SPITA Smart Products BV – Harderwijk (NL)

4. The product (SPITA ResQ-plast) is made of pure cotton with some models containing a mix of polyamide and spandex. SPITA ResQ-plast is available in rolls with a width of 25mm, 38mm, 50mm, 75mm, 100mm & 150mm with a length of 4,5 meter (standard) or 10 meter (XL). A picture of an example of the product is included underneath.
5. SPITA ResQ-plast is a medical certified product (Class 1 - 93/42/EEG) in conformity with the relevant Union harmonisation legislation.
6. SPITA ResQ-plast is made in an ISO13485:2016 certified manufacturing facility and conforms to standard EN13726 for self-medication.
7. We, SPITA Smart Products B.V., represented by Managing Director Goosen Riphagen, states that all SPITA ResQ-plast products (ResQ-plast Professional, ResQ-plast Family, ResQ-plast Sensitive, ResQ-plast Sports, ResQ-plast XL) comply to the highest quality standards. International standards are used in all our technical documents and product specifications.
