"Made for iPhone" and "Made for iPad" mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, or iPad may affect wireless performance. iPad, iPhone, iPod, iPod nano and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries.

The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Parrot S.A. is under licence.

Android is a Trademark of Google Inc. The Android robot is reproduced or modified from work created and shared by Google and used according to terms described in the Creative Commons 3.0 Attribution License.

Windows Media and the Windows logo are trademarks or registered trademarks of Microsoft Corporation in the United States and/or other countries.

The Parrot Trademarks appearing on this packaging are the sole and exclusive property of Parrot S.A. All other Trademarks are the property of their respective owners. All rights reserved. Visuals, description and specifications are not contractual. Product specifications may change without prior notice. Patents pending. Warranty: see user guide. The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modification could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC rules.  
Operation is subject to the following two conditions:  
1- this device may not cause harmful interference, and  
2- this device must accept any interference received, including interference that may cause undesired operation.
