THE SWEDISH KUBB FEDERATION

Bex Sport is a proud to co-operate with the Swedish Kubb Federation. Together we guide organizers of competitions and players in the art of playing kubb. Read more www.kubbforbundet.se

Bex Kubb Pro is made from the highest quality rubber wood. Rubber wood is a perfect material to use outside. The wood is very dense and is not negatively affected by water like other wood; this will give your Kubb game longevity.

The rubber wood in Bex Kubb Original is an environmentally friendly choice. This wood comes from plantations where the trees are only cut down when the tree is no longer producing raw material used to make rubber. By their very nature plantation trees are replanted once harvested.
