

EU Type Examination Certificate

Approved Body 0362

The safety harness device herein meets the criteria of an EU Type Examination in accordance with Annex V of the TPE Regulation EU 2016/425 for Category II products.

This has been shown through satisfactory testing to EN ISO 22341: 2011 and examination of the Technical File Documentation.

Following an EU Declaration of Product Conformity, you are hereby licensed to trade the product(s) detailed in accordance with Article 17 of the TPE Regulation EU 2016/425.
