Frequency Response :	50Hz - 16KHz
Sensitivity:	-50(+/-3dB)(0dB=1V/Pa at 1kHz)
Load Impedance:	≥600Ω±20%

This product is subject to the European Waste Electrical and Elec-tronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.

For the transport and protective packaging, environ-mentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal house-hold waste, but make sure that they are collected for recycling. Please fol-low the notes and markings on the packaging.
