QUICK TIPS:

- Epic Party is set to Eco-Mode by default. Lights will turn off when battery is less than 25% to conserve power.
- Turning off the lights will significantly improve playtime.
- Epic Party will auto power off if no media is playing for 30 minutes.
- Download the JLab App to adjust the default settings.
- LabSync works with all JLab Pop Party, GO Party, JBuds Party, and Epic Party speakers.
